PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**It is a well-organized review. On the other hand, it would highly benefit from grammar check and rephrasing in some places.**	Actually, I would like to give a heartful thanks to the reviewers for giving constructive and teachable comments. I agreed with the reviewer's and I just revised and corrected the comments given by the reviewers accordingly.
Minor REVISION comments	As noted in the manuscript (areas of doubt highlighted yellow and my comments in red font)	Thank you very much. I Just corrected it accordingly and highlighted the corrected area in yellow.
Optional/General comments	It will be a nice educative paper.	Thanks a lot.

SDI Review Form 1.6

PART 2:

	Reviewer's comment	**Author's comment** *(if agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, kindly please write down the ethical issues here in details)*	I agree with the reviewer and I believed that there is no conflict of interest and changing. Finally, I confirm that this paper is my original work and lastly, I received no direct funding for this research.
