PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. Check carefully and correct your english writing in your paper. There are lots of grammatical mistakes among your sentences.** **2. Revise and correct the regression analysis part. Your model has lots of mistakes from statistical point of view. You did not count for correlation between your variables. In addition, you did not perform other tests (example, autocorrelation, heteroscedasticity, etc) that prove the validity of your results. Please read the comments in the manuscript.** **3. You didn't do a Literature Review about this topic. There are not enough citations in the paper. The author does not mention other studies that treat the same topic regarding the effect of farm credit on income. There are lots of studies in the References at the end that are not mentioned in the paper.**	**1. All the grammatical errors and typo errors have been checked to the best of my knowledge in the revised manuscript. Please let me know, if still there exists any such error.** **2. I will take care of it from the very beginning in the subsequent research works. To the best of my knowledge regression analysis part seems to me correct.** **3 Citations as required in the result and discussion part have been done, still some more works have been cited in the paper in the revised manuscript.**
Minor REVISION comments	1. Add as an Appendix the interview that you used for the farmers. What kind of questions did you provide?	**Added in the revised manuscript**
Optional/General comments	1. Choose a certain style for citation (example APA style)	**APA style for citation has been chosen in the revised manuscript**
