

Editor's Comment:

I have thoroughly gone through the manuscript.

Comments;

The paper is technically and scientifically of interest and above average. However it is grammatically below average and need expert language revision before acceptance.

The authors should use standard journal abbreviations, eg Journal of Ethnopharmacology should be abbreviated J Ethnopharmacol and not (Jr of Ethnopharmacol) etc

Editor's Details:

Dr. Peter A. Akah

Professor, Department of Pharmacology & Toxicology, Natural Products Research Group, University of Nigeria, Nsukka, Nigeria
