

**Editor's Comment:**

I have gone through the manuscript "RADIOLOGICAL RISK ASSESSMENT OF DRINKING WATER FROM IGNATIUS UNIVERSITY QUARTERS, RUMUOLUMENI, NIGERIA" carefully. Also, I analyzed the reports of the referees. Based on the referees' comments I am convinced that the paper is suitable for publication in the "ASIAN JOURNAL OF PHYSICAL AND CHEMICAL SCIENCES".

Therefore, I give my decision in favour of the publication of the manuscript in the "ASIAN JOURNAL OF PHYSICAL AND CHEMICAL SCIENCES"
