

Editor's Comment:

RE: Editorial comments for the manuscript entitled: **Geriatric research in Saudi Arabia: A Bibliometric Analysis.**

(1) All sections and sub-sections should be serially numbered.

For instance;

1. Introduction
2. Methods
 - 2.1 Selection criteria
 - 2.2 Data Analysis
- 3.0 Results
- 4.0 Discussion
- 5.0 Conclusion

Please accept for publication after effecting the above changes
