

Editor's Comment:

I have read the reviewer's comment and also the Author's comment and corrections for the manuscript titled: " **Experience of perceived stress and associated factors during Covid19 lockdown among hoteliers of Pokhara, Nepal.** " (2021/AJRID/75883) an Original Research Article submitted to the Asian Journal of Research in Infectious Diseases.

After considering the reviewer's comments and recommendations and the editors' decision on the manuscript, I deem the manuscript fit (**Acceptable**) to be published in the Asian Journal of Research in Infectious Diseases.
