(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Nice work as in the context of the burden of the disease condition in NIGERIA but needs to address the epidemiological flow by including the prevalence of other study carried out in south south where port Harcourt is it gives more significant to the study as an advocacy study also the work will require grammatical editing	Revisions have been done as requested by reviewer.
<b>Minor</b> REVISION comments	nil	
<b>Optional/General</b> comments	Interesting	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
