EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>As there is no Indian prospective in this review.</p> <p>Authors should either they change the title or they have to rewrite the review putting in their review the Indian statistic of CKD, DKD, or the plane to improve screening and management</p>	<p>Agree with you we will change the title to diabetic kidney disease : it pathogenesis and management</p>
