

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. I have checked the reviewers reports and reviewed manuscript. There is no tractability in of anything was changed.</p> <p>2. The recommendations of reviewer Daniel Diego Costa Carvalho - Universidade Estadual de Goiás were not even justified, but there is simple copy-paste of his recommendations in the graph - Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here).</p> <p>3. Manuscript authors' must provide traceable version of their corrections and justify it</p>	<p>Responses: Comment 1- The word "aiming" has been added: marked as blue in page 1 Comment 2- The words "with the antagonist" have been deleted- marked as red- in page 1 Comment 3 – coordinates have been included- marked as blue in page 4 Comment 4- The symbol "@" have been deleted- marked as red- in page 4 Comment 5- The sentence "Data on collar rot disease incidence was recoded at 10, 20, 30 and 40 DAS (Days After Sowing), plant growth and yield attributes were recorded at 3.5 months after sowing." has been added- marked as blue- in page 4 Comment 6- Data of radial mycelial growth has been deleted- marked as red- in page 5 and in table-1 Comment 7- The para before table-1 has been changed as editorial comments and the para after table – 1 has been deleted in page number 5 Comment 8- The position of table-3 and table-4 has been changed as per the suggestion of the reviewer Comment 9- In page 6 "is deleted with was" and a comma was added after the word soybean Comment 10- In page 7 a symbol (-) was added after the word seed treatment Comment 11- The position of table-5 and table-6 has been changed as per the suggestion of the reviewer in page 7 Comment 12- The sentence "The soil application.....environment pollution- the sentence has been deleted) from the conclusion in page-8 Comment 13- In the reference list the reference-1 has been replaced by "El-Hamidi M., Zaher FA. Production of vegetable oils in the world and in Egypt: an overview. Bulletin of the National Research Center. November 2018; 42 (1) 19: pp 2-3."</p>
