PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is an interesting study and the author or authors have collected an unique dataset i.e EUROPA Stamps 2016 containing "Think Green" theme. This paper is generally well written and structured. The Datas collected are quite supportive in respect to the research paper. The appendix should be included immediately .	
Minor REVISION comments	A few minor changes are required in this paper. Name of the authors along with their affiliation should be included immediately after the Tittle of the paper. This is then should be followed by authors contribution which is not included in the paper. Also, I would like to inform to the author or authors to include a corresponding mail id just below the abstract. A slight spelling mistake is observed in the conclusion paragraph indicated as "Appied", which should be written correctly as "applied".	
Optional/General comments	Few minor revision is required otherwise the paper is ready for acceptance.
