PART 1: Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	- **Need to revise English Language.** - **Need to include source of figures.** - **The results and discussion part needs a bit more discussion. It would benefit from confronting the results obtained with examples from other situations where there are similar systems in other countries**	
Minor REVISION comments	- Revise the way to reference the tables and figures to comply with the citation system.	
Optional/General comments	- It is an interesting manuscript that can benefit from a bit more discussion with examples of initiatives in other countries / disasters.	

PART 2:

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
