PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The manuscript reports the case of a young male patient diagnosed with Budd Chiari syndrome (BCS) who presented total occlusion of retro hepatic inferior vena cava, and was treated with endo vascular methods (venoplasty and stenting).</p> <p>The report is interesting taking into account that traditional procedures used in BCS management (thrombolysis or surgical portosystemic shunt creation) involve significant morbidity and procedure-related complications. However, some points should be addressed before publication.</p>	<p>The manuscript reports the case of a young male patient diagnosed with Budd Chiari syndrome (BCS) who presented total occlusion of retro hepatic inferior vena cava, and was treated with endo vascular methods (venoplasty and stenting).</p> <p>The report is interesting taking into account that traditional procedures used in BCS management (thrombolysis or surgical portosystemic shunt creation) involve significant morbidity and procedure-related complications. However, some points should be addressed before publication.</p>
Minor REVISION comments	<p>Minor points,</p> <ul style="list-style-type: none"> -Data related to blood investigations (complete blood count, renal function tests and liver function tests) should be included in the main body of the Ms. or into a chart. - Please include the description of acronyms in the abbreviations section or the first time they are mentioned in the text (INR, IVC, etc.). -Please review the spelling and the use of English grammar. 	<p>Minor points,</p> <ul style="list-style-type: none"> -Data related to blood investigations (complete blood count, renal function tests and liver function tests) should be included in the main body of the Ms. or into a chart. - Please include the description of acronyms in the abbreviations section or the first time they are mentioned in the text (INR, IVC, etc.). -Please review the spelling and the use of English grammar.
Optional/General comments
