PART 1: Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The title, abstract and the body of the work did not agree, the title is surf but the body is sift and surf. There is nothing bad in combining them but it has to be stated in the title, abstract and the body of the work. There are too much typos A lot of literature in the method, the authors should state the existing work and the modification to the existing work, that will show the novelty of the article, when there is none it should be clearly stated. A pictorial representation should accompany each of the processing stages.Finally the performance metrics shoud have been more based on the feature extraction**	
Minor REVISION comments	The work should be accepted after the corrections effected.	
Optional/General comments	It is a good short to be candid.
