PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The authors must improve the abstract section and include the Objectives, problem, methods, main results, some recommendations. The Introduction section need to add some novelty studies and it is very short and unclear. The Literature Section is missing. I recommend the authors to present the novelty of this research compared to previous research. The authors must add the conclusions and the recommendations. References are insufficient.	
Minor REVISION comments		
Optional/General comments
