PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Carefully check the use of “and”. I noticed author did not use it correctly at many places.</p> <p>- However, I found the legends on tables are incomplete.</p> <p>-I cannot see the \pmSD or SE in the table.</p> <p>- I cannot see the significant letters in the table. Kindly mention them as well.</p> <p>-Author must be consistent with abbreviation if he uses. I found in whole manuscript you used zinc but when end the conclusion you used Zn. So kindly check all the abbreviation carefully.</p> <p>In conclusion change the word “varied” with “multiple”</p> <p>In conclusion. Add comma after “Therefore”</p>	
Minor REVISION comments		
Optional/General comments		

PART 2:
