

SDI Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_52361
Title of the Manuscript:	Isatin analogues as anti-bacterial agents; QSAR, Docking
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link: (<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In-text reference 29 is missing Method for molecular docking was not stated. The grid and center size parameter will ease the effort of another researcher that may be interested in further investigation on FabI.	
Minor REVISION comments	full name of FabI will be preferred in the first sentence of the introduction, and then put FabI in bracket. Log P not p References in the list should be in proper styles required by this journal. Some contained journal title while other did not. Some have authors initials in front while others have it inside. There are many tables under "Table 1". The author should find a way to indicate them with a, b, c....	
Optional/General comments	Other important revision (such as spacing, comma, and rephrase) are highlighted in yellow in the manuscript. The work provides new set of compounds that can bind to FabI.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
