**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	The paper is aimed at investigating some immunological aspects related to Covid 19. The relevance and importance of the topic are very high. Therefore, there is nowadays a great preoccupation worldwide to find a great prevention methods and treatments for this pathology. I think that the audience of the journal will definitely find it interesting to read about this topic. For a more accurate understanding there are phrases that need revision, and it is also important to correct mistakes in spelling.	
<b>Optional/General</b> comments
