

**Editor's Comment:**

Accepted after making the corrections indicated by the reviewers that have not been made:

- 1) Material and Methods included a) Study area, Data collection, Plant material and Statistical analysis
- 2) Remove the numbers in the manuscript chapters
- 3) Very poor and older reference (References are very old so they must be updated with recent references from the last five years)

NOTE: attached manuscript with red corrections

I send 4.Peer review information\_2020\_EJMP\_54785: Accepted after making the corrections indicated by the reviewers that have not been made by author.
