

Editor's Comment:

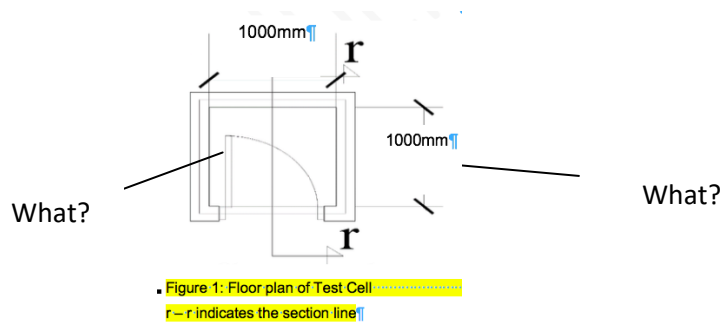

My decision is "major revision."

Please revise the manuscript following the comments under.

- Abstract style does not follow our style. Please follow our style. Please visit at <https://drive.google.com/file/d/0BzvkYtxLTJZjMzYwcTJwZ2g5ZFE/view>

Aims: -----
Study design: -----
Place and Duration of Study: -----
Methodology: -----
Results: -----
Conclusion: -----

-
- Figure 1 is not clear. Please explain more details.

- Please explain figures in order. In the section 3.0.2, the explanations of Figures 3 and 4 come first than that of Figures 1 and 2. Or, arrange figures in order.
- In this paper. The section 3.0.7 is critical. Please explain the followings. The editor still does not understand.
 - Leaf Area Index 2. What is "2?"
 - Leaf Area Index 5. What is "5?"
 - Please explain LAI 2/70-150mm.
 - Please explain **LAI 2/500mm and LAI 5/500.**
- For Table 2, please explain the followings.

Thickness (M) What is M?

Conductivity(w/m-k) What is k?

Specific Heat (J/Kg-k) What is k?

Thermal Resist (m^2 -k/w) What is k?
