

Editor's Comment:

Taking into account the evaluation process and reports of two reviewers and authors' feedback of the manuscript 2020/JSRR/56857 entitled "**PROXIMATE AND MINERAL COMPOSITION OF SPONGE GOURD (*Luffa cylindrica*) SEED GROWN IN SOUTH-WESTERN NIGERIA**", I can state that paper could be publish in *Journal of Scientific Research and Reports*. However some correction is still needed.

References – authors should carefully checked and corrected, the journal names' should be written with capital letters, authors should consistently use the full names or abbreviations of journals in accordance with the requirements for authors, Jour. is not an abbreviation for the word journal.
