EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>The manuscript title: Toxicity of Azadirachta indica Hydroethanolic Leaf Extract in Adult Drosophila melanogaster (Harwich Strain)., and would like to suggest the authors to denote significant differences in graphs of Tables 3 to 6. After these have been revised, the manuscript should be accepted for publication.</p>	<p>The results shown in figure 3 to 6 showed no significant differences when compared to the treatment groups and the control. For this reason, there is no need to “denote” a significant difference in the graph. It is also clearly written that there are no significant differences in prior to the graphs.</p>
