<b>EDITORIAL COMMENT'S on revised paper (if any)</b>	<b>Authors' response to editor's comments</b>
<p>The article is quite good for publication. But there are still minor corrections which must be done to make the work better before it is finally published. These include;</p> <ol style="list-style-type: none"><li>1. The work should be discussed with a proper discussion section</li><li>2. Citations such as Donald (2009) and Karl (2014) should be included in the reference section</li></ol>	<p>Ok, done (is under sub-section 4.1)</p> <p>DoInald (2009) is in Reference no 6 Karl (2014) has been removed due an error</p> <p>Thanks.</p>
