PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In the assessment of the paper submitted for the review, I specifically focussed on the discussed issues, applied research methods and the scope of analysis of research results, as well as substantive content of the article and its structure. The subject discussed in the paper is timely. The structure of the paper is clear and consistent with accepted standards. To improve the quality of the work I would recommend: 1. To strengthen the links on fabric technology with the local culture 2. In order to improve the depth of the article, please summarize the literature review 3. Please provide some personal opinions and analysis. 4. Please add 1-2 points to the recommendation.	
Minor REVISION comments		
Optional/General comments
