PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The title of the paper "Transforming Indian Agriculture with Digital Technologies" and author given only the different programme implemented by the government, private and NGO. But, what is current status of these programmes are missing. Only giving the name of programme, about the programme, year of initiative, what type of information is provided under the programme. But much more important is how much farmers are benefiting, how they are benefiting, what is the coverage need to be mentioned.</p> <p>Authors should use some more published information/research papers and try to improve the paper.</p> <p>The citation of past works is not scientifically cited need to be modified. Some of the references is given in reference section, but it is not cited in the paper. It need to be modified.</p> <p>Please see the paper where some comments are given.</p>	
Minor REVISION comments		
Optional/General comments
