PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The literature has to be broad and extensive in a manner indicated in the reviewed document. It should show that the writer is familiar with the topic and the relevant literature. Please expand it accordingly 2. There are various grammar and spelling mistakes I have corrected in the reviewed document 3. The case report paragraph has to be expanded giving the patient full history and initial findings. By just mentioning they are normal is not appropriate. Kindly elaborate and give full details 4. You should also expand discussion- explain the objective of reporting the case. Describe what others have written before about the condition or any related feature. 	
Minor REVISION comments
