	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none"> - I would like to give some comments to the author for improvement. - I have found a lot of mistakes in grammar and sentence structures. Please check again and proofread before submitting. - Explain why you choose only one company in your study because it cannot represent the business society in the selected country or the world. - Please explain the company you choose for a wider view. - Your literature should be proofread and improved. - There is no need to state points 3.4.3., 4.1., and 4.2. in the article. - Please check your methodology, particularly the data you employed. The findings show that there is evidence of structural instability. Please check figure 3 (the CUSUM of Square). It is less likely that I have trust in your data and findings. - In your recommendations, you are likely to generalize your findings. Please improve it and just make it specific to the firm you choose. One company cannot represent the whole thing.
