PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The overall paper is good, and good effort has been made by the author in this paper, however there are some suggestions to improve the paper:</p> <p>Author needs to justify why the period between 1998-2012 is studied and why not including the recent years where the use of information and communication technology has been increased.</p> <p>The following references need to be checked and the full details should be provided: [1],[5] [13], and [38].</p> <p>The article "Remittances, Financial Inclusion and Income Inequality in Africa" should be cited and added to the references.</p>	
Minor REVISION comments	<p>The format of the tables should be checked and organized well. Some of tables can be moved to the appendix to keep the organization of the article clear.</p> <p>For section 2. THEORETICAL FRAMEWORK AND EMPIRICAL LITERATURE, the author can add a table to summarize the current studies and identify the research gap clearly.</p>
