

SDI Review Form 1.6

Journal Name:	Asian Journal of Environment & Ecology
Manuscript Number:	Ms_AJEE_67362
Title of the Manuscript:	Human and Environmental Health Implications of Pesticide Utilization by Market Gardeners in the Western Highlands of Cameroon
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/journal/10/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The authors should improve some items in Material and Methods, inserting a map of the studies area and the reason/significance of the questionnaire uses, and why this methodology is important.</p> <p>In Methodology I recommend to insert climate information (Köppen classification, average temperature, soil information, terrain or relief).</p> <p>Also, it is important to ressalt the novelty of the research related to the importance of the soil management, also emphasizing the objective.</p> <p>The authors should change the keywords.</p> <p>In Discussion, avoid the use of repetitive terms (as example, Sometimes).</p>	
Minor REVISION comments	<p>The authors should rewrite some sentences (connecting some of them, avoiding the use of short phrases) in the manuscript in order to turn more understandable.</p> <p>The authors should review the Tables and Figures labels fonts and colour. Some figures and Tables are in Times New Roman font and in grey colour.</p> <p>Modify Figure 2 and use same model as used in Figures 4, 6,7 and 8.</p> <p>Why Figure 5 is the only Figure with Title?</p>	
Optional/General comments	<p>Adequate the manuscript to the journal template and review the grammar (review the formal speech).</p> <p>The paper can be accepted for publication, with some revisions and for resubmission.</p>
