

SDI Review Form 1.6

Journal Name:	Asian Journal of Research in Biochemistry
Manuscript Number:	Ms_AJRB_66527
Title of the Manuscript:	STUDY THE PROTECTIVE EFFECT OF GINGER AGAINST THE TOXICITY OF DIMETHOATE ON HORMONES IN RABBITS
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/journal/10/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Introduction: In the literature review on the Dimethoate, antioxidant, and ginger seems very well, but it is not indicated the important of LH, FSH, T3 and T4 hormone. In this study was monitored these hormones. Please give the information of the hormone to body function and why do you need to monitor its.	
Minor REVISION comments	<ol style="list-style-type: none"> 1. Check animal weight and standard deviation in material and methods part 2. Do you have register animal research ethics? If yes, please give the information. 3. Table 1, Check the decimal, it should be in the same digit. 4. Table 2, what is the abbreviations (a, b, c, d)? 	
Optional/General comments	Abstract: Please define all abbreviations the first time it is used. <i>Zingiber officinale</i> is scientific name should be italics. Spell words check, Ex: gingerols and gingerrols	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
