PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Abstract should be in 250-300 words. It should be concise and only main point should be added in it. Result and Discussion fertilizer is not only factor that effect total cost of groundnut. Cost of labour and seed are also effecting the cost. There is not point regarding it in discussion Check the results because adjusted R square and R square value are totally match	
Minor REVISION comments	Conclusion It can be rewrite again	
Optional/General comments	Introduction It was well defined but some data related to cost and structure of groundnut crop can also be added which was published by government	

PART 2:
