

**SDI Review Form 1.6**

Journal Name:	<a href="#">Asian Journal of Research in Dermatological Science</a>
Manuscript Number:	Ms_AJRDES_57450
Title of the Manuscript:	Prevalence of polycystic ovary syndrome in women with acne vulgaris
Type of the Article	

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/journal/10/editorial-policy> )

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>1)It would be pertinent if the authors got the article proof read by a native English speaker to improve upon the grammatical error</p> <p>2)The authors should put photos of patients related to pcod like acne, acanthosis nigricans, hirsutism, fphl</p> <p>3) I necessarily don't agree with the explanation given - The reason for decreased prevalence of PCOS in acne patients in studies from Dhaka and Thailand may be attributed to decreased prevalence of PCOS in their control groups.</p> <p>4)Can you make the third paragraph under discussion more concise- "Regarding the age of presentation"</p>	
<b>Minor</b> REVISION comments	Please provide the full form of GAGS	
<b>Optional/General</b> comments	The study is nice , but for publication major revisions are required in terms of structuring of discussion and making it more articulate so that it is better understood by the readers	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
