PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1- I think that the introduction talks about the situation in Afghanistan only, but rather a brief summary of the global situation of effects on agriculture and global production and should be provided, supported by some references. 2- All references in the article should be in the same formatting. 3- The type of the statistical analysis should be clear than written in the article. 4- Soil analysis should be mentioned in material and method for the field location 5- I prefer to mention the climate conditions in the time of the filed experimental conducted. 	
Minor REVISION comments	<ol style="list-style-type: none"> 1- I prefer that keywords should be arranged alphabetically. 2- short conclusion. 3- how much water applied in the field experimental? 	
Optional/General comments	<ol style="list-style-type: none"> 1- Some sentences in the article should be rephrased, and should not be repeated, such as in the intro (The increase for high yield is high 2- The grammar and some words should be noticed (spelling, grammar, punctuations, missing a comma, missing a determiner, hyphen, etc). 3- Revise reference no 7 is it exists or not?.
