

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Current Journal of Applied Science and Technology</a>
Manuscript Number:	Ms_ CJAST_52394
Title of the Manuscript:	<b>Analysis of Physio-Chemical Properties and Plant Growth Characteristics using Different Growing Media</b>
Type of Article:	<b>Original Research Article</b>

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
I think that the idea to compare different growing media and mix them with several proportion can be really useful both from a scientific and practical point of view. After the corrections the quality of the manuscript is improved. I reported small correction in the manuscript as comment or tracked changes. I hope they can be useful.
