

SDI Review Form 1.6

Journal Name:	Current Journal of Applied Science and Technology
Manuscript Number:	Ms_CJAST_56896
Title of the Manuscript:	CORRELATION AND PATH COEFFICIENT ANALYSIS OF YIELD RELATED TRAITS IN F3 POPULATIONS OF BRINJAL FROM INTRA-SPECIFIC HYBRIDIZATION
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The article identified as Ms_CJAST_56896 CORRELATION AND PATH COEFFICIENT ANALYSIS OF YIELD RELATED TRAITS IN F3 POPULATIONS OF BRINJAL FROM INTRA-SPECIFIC HYBRIDIZATION, must be accepted for publication, as it is a genetic study of great importance for agriculture.	
Minor REVISION comments	The authors should or could have used the P-value, P-value or descriptive level of the test instead of setting the level of significance at 1% probability, as this result is already in the output of the statistical packages or software currently used.	
Optional/General comments	Authors must insert at least two more biographies on this subject studied in this scientific article and that have been published in the last two years, to keep the article updated.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
