SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>This script will be supportive for the said country but the manuscript needs revision and author may address the following points</p> <p>1.References in the text should be presented in a organised way, like</p> <p>".....illegal smuggling and its cheap prices (1,18)" At the beginning, reference 18???</p> <p>Sentence is not completed here, no full stop.</p> <p>2. "The drug consumption has increased more than 10 times between 1993 and 2000". This sentence needs reference for justification.</p> <p>3. In the introduction section, the objective of the study should be mentioned.</p> <p>4 Author should use capital letter at the beginning "2.1.1. Pure standard samples 2.1.2. non-pure samples"</p> <p>There are so many mistakes in formatting, grammatical, no uniformity.</p> <p>5." mixed with acid (carboxylic acid and silicic acid)" – needs clarification about silicic acid and carboxylic acid(it's a functional acid group)</p> <p>6. Provide GC/MS data,files as supporting information (in a separate file,)</p> <p>7. Detail analysis is required in the result-discussion section.</p> <p>The results come from applied research and will be very useful in the country's agriculture.</p> <p>Above all, english correction is highly recommended to improve the readability of the manuscript.</p>	
Optional/General comments
