**PART 1: Review Comments**

|                                  | Reviewer's comment   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------|--|---|
|                                  | <p>The article tries to inquire into the role of cooperative societies in India's Agricultural development endeavours based on secondary sources. It traces the root of these societies and provides an interesting historical account on the areas of integration with India's agricultural development plans from 1951-2002.</p> <p>It discusses the four different types of cooperatives namely, production, marketing, service and allied service Cooperatives but dwells on assessing the( operational) status of primary Agricultural Cooperative Societies in India .</p> <p>The article reveals the pros and cons of cooperative societies in India and suggests some recommendations. Authorities add that the one of the basic weaknesses of the cooperative is the economic viability of the major activities undertaken.</p> |   |
| <b>Minor</b> REVISION comments   | Write in full the short hands used in the manuscript like Govt., &   |   |
| <b>Optional/General</b> comments |  |   |
