

SDI Review Form 1.6

Journal Name:	<a href="#">International Journal of Biochemistry Research &amp; Review</a>
Manuscript Number:	Ms_IJBCRR_55878
Title of the Manuscript:	THE STAINING CAPABILITY OF AQUEOUS EXTRACT OF SKIN Allium cepa (RED ONION) ON SOME SELECTED HISTOLOGICAL TISSUES
Type of the Article	

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
