

SDI Review Form 1.6

| | |
|--------------------------|---|
| Journal Name: | Journal of Applied Life Sciences International |
| Manuscript Number: | Ms_JALSI_55049 |
| Title of the Manuscript: | Acute and sub-acute toxicity studies of methanol leaf extract of <i>Asystasia vogeliana</i> in Albino Wistar rats |
| Type of the Article | Original Research Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | The author investigated that acute and sub-acute toxicity effect of <i>Asystasia vogeliana</i> . They used the methnolic extract for studying toxicities. They found that MLEAV showed better antioxidant capacity than PLEAV, and that 62.5 mg/kg of MLEAV is safe during the sub-acute administration. The experimental designs are well focused. The written well and conclusion is acceptable. | |
| Minor REVISION comments | | |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
