

SDI Review Form 1.6

Journal Name:	Journal of Applied Life Sciences International
Manuscript Number:	Ms_JALSI_55049
Title of the Manuscript:	Acute and sub-acute toxicity studies of methanol leaf extract of <i>Asystasia vogeliana</i> in Albino Wistar rats
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>1. The current data is insufficient for a traditional sub acute toxicity studies. Additional information on the serum biochemistry and histopathological changes in organs and tissues is required for effective judgment on toxicity potential of the methanol leaf extract of <i>Asystasia vogeliana</i>. In addition, the information on petroleum leaf extracts of <i>Asystasia vogeliana</i> (PLEAV) should be deleted; it is inadequate and absent in most of the parameters that were determined.</p> <p>2. Alternatively, The title may be modified as "Acute toxicity and erythrocyte osmotic fragility studies of methanol leaf extract of <i>Asystasia vogeliana</i> in rats. Again, all data on petroleum leaf extracts of <i>Asystasia vogeliana</i> (PLEAV) should be deleted.</p> <p>3. The title for section 2.4 (methods) is similar to those in section 2.1.1 and table 1; modify as appropriate. Likewise, section 2.5 (methods) has similar title compared to section 2.1.2 and figure 1 requiring appropriate modifications.</p> <p>The revised manuscript should be resubmitted for evaluation.</p>	
Minor REVISION comments		
Optional/General comments
