PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Well written article. Thanks for the comprehensive contribution. It would be nice to have a few more elaborations on the mentioned PPEs. It mentions that IPC needs to be done differently. I am wondering what it is that needs to be done differently, as I did not see this highlighted in the article. Please check the footnotes and ensure their proper placing.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
