PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	References in the text: better (1, 2, 3, 4, etc) no (1) (2) (3) (4) Fig. 2 is not clear. Positive are less than negative, and this enormous difference is not well represented. References may be better for number and year of publication Too much cubital letters, adjust English language in some periods.	
Optional/General comments	Good work in this geographic area.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
