

Review Form 1.6

Journal Name:	Journal of Engineering Research and Reports
Manuscript Number:	Ms_JERR_71788
Title of the Manuscript:	Effect of Rice Husk Ash (RHA) and slag as Partial Replacement of Cement on reinforced Concrete slabs
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. What is Partial Z-Cem paste ? 2. the author should be improved the experimental scheme. 3. the author should be introduced of experimental materials in details. 4. the author introduced "the Effect of Rice Husk Ash (RHA) and slag as Partial Replacement of Cement on reinforced Concrete slabs", but did not analyse the reason that Rice Husk Ash (RHA) and slag can Partial Replacement of Cement.	
Minor REVISION comments		
Optional/General comments	This paper introduces the Effect of Rice Husk Ash (RHA) and slag as Partial Replacement of Cement on reinforced Concrete slabs. This is very interesting.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
